the past, I should decide to change
the form of government during the
next two years and the people elect
me mayor, they will find that I
will be fighting with them for their
advancement, just as I have done in
the past. If elected, I know that I have
no property right in the mayor's office

have held that public office does not
confer a property right on the holder;
and that a city charter is not a contract,
and the same power that made
the people—can take it away. I
don't have to be smoked out to obey
the will of the people, and as I hold
office only at their pleasure and know
that they can change their charter,
so as to do away with the office of
mayor, if they will. I will claim nothing
of the nature of a property right

change that will advance the interests

EFFICIENT AND POPULAR OFFI-
CER MAKES FINAL APPEAL TO
ELECTORATE — STRONG CON-
TESTANT FOR POLICE CHIEF.

To the Voters of the City of Ardmore:

Owing to recent illness I have been
prevented from making as complete a
canvass of the voters of the city as I
had desired to make, and during the
short period at my disposal, there nec-
essarily have been many whom I have
not had the opportunity to call upon.
I therefore take this means of assur-
ing my friends and supporters and the
entire electorate of the city that I am
in the contest until the end and
will solicit their vote and influence, prom-
ising, if elected, to render efficient ser-
vice, with just and equal treatment to
all as my guide. Respectfully,
(Adv.) DAVE FRASER.Ardmoreite want ads! the best ad-
